

## It's News Here!

### Fire Destroys Home, Pick-up Truck

A house owned by John and Jan Cragg on Pappy's Trail was totally destroyed by fire last Thursday. A neighbor called the sheriff dept. about 2:25 a.m. reporting the fire.

A benefit dinner for the Cragg family will be held Saturday, December 18, at the Grayling Restaurant from 4 to 8 p.m. All proceeds will go to help the family.

Olson's of Grayling will be the drop-off place for clothing and other items anyone wishes to donate to the family.

A 1976 Chevy pick-up truck belonging to the Crawford-Otsego landfill was also destroyed by fire last Friday. An electrical short was cited as the cause.

In other police news, a 15-year-old Lovells boy is being charged with felonious assault of a 30-year-old Davisburg woman. The incident occurred about 7 p.m. Saturday and a shotgun was allegedly used in the assault.

Ten breaking and enterings were reported to the Crawford County Sheriff Dept. last week along with five suspicious situations.

### Public Hearing Complaint Dismissed in Circuit Court

A complaint over the handling of a public hearing on county taxes was dismissed by Judge E. Patrick Murray in Circuit Court Wednesday, Dec. 8.

Murray told John Medler and others who had filed the complaint to stop Crawford County from collecting extra taxes that they would have to go to the State Court of Appeals for this type of action.

Medler claimed a public hearing held Oct. 5 did not allow enough time for all audience members to express their views on the subject of collecting extra tax revenues from increased S.E.V. values.

After Murray found out the group, not represented by an attorney, was seeking a Writ of Mandamus temporarily stopping county collection of the extra taxes, then he dismissed the case from Circuit Court and directed them to the correct court to file their complaint.

### Sheriff Dept. Issues Thin Ice Warning

The Crawford County Sheriff Dept. is warning all county residents and visitors to be cautious of thin ice conditions.

Fishermen eager for "first ice" fishing, which usually brings good success, are urged to use caution and test ice conditions. Ice around inlets, outlets, and the shoreline is especially dangerous this early in the season.

### Deadline for Miss Grayling Pageant Draws Near

The Miss Grayling Pageant committee is shooting for a December 23rd deadline for entries into the pageant. There is still time to pick up your entry at Grayling High School, the Chamber of Commerce, Cornell Real Estate or WQON Radio.

To be a contestant you must be single, between the ages of 17 and 21, and a resident of Crawford County. The pageant is an opportunity to represent your community throughout the year - as well as a learning experience.

If you have any further questions please call Mrs. Norma Naour at 348-6481 or 348-8476.

### Local School Groups To Present Concert

On Sunday afternoon, December 19, three organizations from the Crawford Area Schools will present a concert in the high school auditorium. The concert is scheduled to begin at 4:00 p.m. A one dollar admission charge will be collected at the door.

Featured in the concert will be the Grayling Middle School 6th grade band. This small group of beginners will demonstrate for their parents and friends just what they have learned during the past few weeks since they began their instrumental music career.

Also appearing in the concert will be the Grayling High School Girl's Glee Club. This small group of female vocalists will present a concert of contemporary music.

The final organization to appear in the concert will be the Grayling Middle School 7th and 8th grade band. They will be assisted in this concert by members of the Grayling High School Band.

### Winter Semester Registration at Kirtland

Registration for all students for the Winter semester at Kirtland Community College will be held on Wednesday and Thursday, January 12 and 13, 1983, from 9 a.m. to 6:30 p.m.

Students may register in the Student Services Office in the Administration Center, off of County Road 603, and will need to show two proofs of residency at this time. These proofs include: rent receipt (with address on it); drivers license; tax receipt (with address on it); voter registration card; and Secretary of State Identification Card.

Tuition rates are \$20 per credit hour for in-district students, \$26 for out-of-district and \$32 for out-of-state. An activity fee of .75 cents per credit hour (not to exceed \$11.25) will be assessed. New students will pay a \$10, one time application fee.

### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 14-18 & 21 Dec. 82.

Firing will be performed in the following range area: The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd 697.

The range will be closed to the public during the period 14-18 & 21 Dec. 82 and all persons are warned to stay out of the area identified.

## GHS Volleyball Team Opens Season Saturday

Santa Claus has delivered GHS volleyball coach Becky Brown an early Christmas present - a combination of experienced, talented seniors and juniors that have blended together as a team.

"We have some good senior leaders and I feel even our weakest player is strong," Brown said.

The Viking volleyballers open their season Saturday in the Inland Lakes Invitational and senior Jenny Riker, Wendy Savallisch, and Ikuyo Inoue are expected to lead the team.

Riker and Savallisch helped lead the varsity last year and Inoue, an exchange student from Japan, is a big bonus to the team.

Gina Bidwell, a senior is also back from last year's varsity and will be used primarily in the bumper position.

Penny Holzman and Shelly Trenary, both juniors, are exceptional servers and junior Tammy Savallisch's strong suit is her setting skills.

Kathy Worden, a junior, is 5'6" and an excellent leaper. She's expected to come up with a lot of blocks and spikes along with junior Racann McEvers, the tallest girl on the team at 5'8".

Juniors Paula Harwood and Michelle Muriel will be used mainly in bumper positions and Deanna Hubbard will be used most often as a setter.

Brown said her team is still not big but they have strong basic skills and it will see Volleyball on Page 12

### Santa Claus Is Coming To Town

For the 23rd year in a row, Santa Claus will be appearing at the Grayling State Bank to meet with the children.

Expected arrival of Santa via redeuler express is 3 p.m. Friday, December 17, and Mrs. Claus has promised Grayling State Bank President Jack Alef that Santa will stay from 3 to 6 p.m. visiting with the children. All kids in Crawford County are invited to come meet Santa at the Grayling State Bank downtown office.

### Holiday Hours

Crawford County Public Transit (Dial-A-Ride) will be closed December 24, 25 and 31 and January 1.

## \$165,000 Settlement Reached in Crawford County Jail Suicide

An out-of-court settlement for \$165,000 has been reached between Crawford County's insurance carrier and the family of John Piipponen, who hung himself in 1980 in the county jail.

Mrs. Piipponen, of Beaver Creek, will receive \$12,000 immediately and \$500 a month for nine years for a total of \$66,000, according to county officials.

The Piipponen's daughter, upon reaching her 18th birthday, will reportedly receive \$12,000 a year for five years for a total of \$60,000.

The attorney for Mrs. Piipponen, Terrence Bloomquist, reportedly

will receive \$9,000 now and \$7,500 a year for four years for a total of \$39,000, according to county officials.

The grand total paid by Auto Owners, the county's insurance carrier when the suicide occurred, will be \$165,000. A clause in the insurance contract allowed Auto Owners, represented by Gaylord attorneys Dreyer and Cooper, to settle out of court without any say from the county.

The suit claimed the sheriff dept. failed to follow state Dept. of Corrections regulations when booking and holding Piipponen.

## Miniature House Fit For a King

by Jon Thompson

It's a house fit for Santa's elves, smurfs, or a king - a miniature king that is. But a dollhouse it isn't. It's too nice for dolls.

The two-story, eight-room miniature house displayed at R & H Sports by owners Janet and Larry Raymond has electric lights in every room, beautiful handmade furniture, wallpaper, curtains, a stairway with hand rails, a clock, and a Christmas tree in the living room.

Built by Janet's mother, Mrs. Ann Furtwangler, of Parma, the miniature house is a smaller replica of a real-size house. Furtwangler builds miniature houses by scaling down blueprints of real houses.

"If you could just take a picture of one of the rooms, you wouldn't be able to tell if it was a room in a regular

house or not," Janet Raymond said.

"I wouldn't even want to begin to guess how many hours went into building that house," Larry Raymond said.

For Janet's mother, the miniature house at R & H Sports is one of several completed as a hobby interest that started 21 years ago when her and her daughter Janet couldn't find a nice dollhouse.

She started from scratch with just a paring knife, hammer, glue, and some wood. Her simple plans grew fancier as she added electric lights, beamed cathedral ceilings, and columned front porches.

Janet's mother also has built miniature houses for her other daughters and lately for the children of friends. She makes the house

and practically everything inside by herself.

The walls are cut from plywood and usually three of the four walls are removable, snapping on with magnets. Some of the windows in the houses are made from real glass and a few of them even open and close.

The elaborate furniture inside is made of everything from glass beads for chandeliers to toothpaste caps for lampshades. All the rooms are furnished like a lived-in house. The kitchen of the house in Grayling for example has a counter with a toaster, tea, coffee, and sugar canisters, and a sink with faucets.

The beautiful house may be viewed during regular business hours at R & H Sports but only if you're careful not to disturb Santa's elves living inside.

## Christmas Presents Date Back to 1832

by Jon Thompson

There will be a family tree under the Christmas tree this year for the children of Bob and Regina Rettenmaier.

The Rettenmaiers made separate albums for each of their four children containing photographs and information about ancestors dating back to 1832.

The Rettenmaiers took two and a half months compiling information from relatives and tracking down old family pictures spanning four generations of all four family sides of Bob and Regina.

The idea for the special Christmas presents to their children came in August when the Rettenmaiers attended a family reunion in Iowa - the first reunion for

that family in 150 years.

Nearly 400 family members out of 732 from around the county attended. During the reunion the Rettenmaiers saw a 1946 photograph of Regina's family.

"Wouldn't it be great if we could find a photograph of my family too," Bob said at the time.

Soon they thought of putting together a family album going back as far as they could, and they began making long distance calls across the country and writing letters to relatives.

The information they dug up was fascinating, Regina says. They found photographs made from the tin-type process, one of the earliest photographic techniques in the 1800's. They tracked ancestors back to

homelands in Germany, Ireland, Prussia, England, Holland, and France. They heard story after story of pioneer ancestors in Iowa - one pioneer dying when a team of horses bolted loose, one pioneer marrying a gypsy, and others founding colleges.

When their four children return home to Grayling for this Christmas, Thomas, 26, Mary, 25, Theresa 23, and See Family Tree on Page 12

### Immunization Monday, Dec. 20

District Health Dept. No. 1 Immunization Clinic will be held Monday, December 20th, at the Courthouse from 9:30 to 11:30 and 1:00 to 3:30 this month only.

**FAMILY ALBUMS**—Regina and Bob Rettenmaier hold one of five family albums they made tracing back their families to 1832 with photographs and biographical information.

## Wrestlers Grab Another Title

Led by John Solomonson, voted Outstanding Wrestler of the tournament, Grayling continued their winning ways taking first place at the Ludington Holiday Tournament last Saturday.

Solomonson, along with three other Viking wrestlers, won a gold medal at the tournament for first place.

He improved his season record to 8-0.

Also taking first place for Grayling were Steve Sauve, Jim Piper, and Dan Meldrum. Sauve and Piper moved their season records to 8-0 and Meldrum upped his to 7-1.

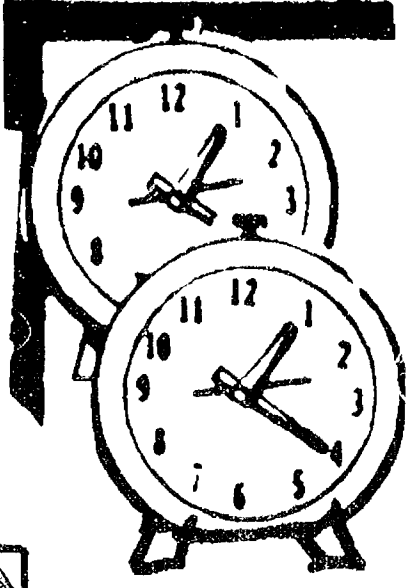

Grayling made a clean sweep of tournament

trophies at Ludington. Besides bringing home the first place trophy and having Solomonson voted Outstanding Wrestler, coach Don Ferguson was voted the Outstanding Coach at the tournament.

Tom Sorenson earned a second place medal at the See Wrestling on Page 12

## From Our Corner ...

The ol' fellas world got turned upside down last Saturday following our visit to Dr. B's office to find out the results from the test taken last Monday...our orange pop was taken away from us, but on the diet we can have orange juice...speaking of the diet, we have to eat three meals a day and a snack at bedtime...now just to show what we meant by our world turned upside down...we can't remember back, it has been so long that all we have had for breakfast is a couple cups of coffee...lunch amounted to a sandwich and whole milk...and our evening meal was with everything, meat, potatoes, and different other things that go with it...

Needless to say we have been in a different state of mind then when we went to see the Doctor...and now it is Sunday afternoon and we're trying to put this turkey together, with everything on my mind except trying to write a column for this week's issue...

Note to Spike: our weather changed quite a bit from last week, no more rain just near zero weather and a couple inches of snow...now Santa should be able to make his rounds at Christmas time...Spike, we'll try and refrain from writing too much about the weather in northern Michigan, unless we have another blinger like last January and the first of February...

We received a note from Louie Stillwagon last week with a clipping from New Port Richey, Florida...the heading on the article read "9 beat odds to win liquor licenses"...herewith is the first two paragraphs in the article...

"When her husband's 19-to-1 longshot came in Thursday morning, Dorothy Stillwagon flinched and hollered "Bingo".

Her husband Lewis had just won the right to buy a transferable liquor license state officials say could be worth \$75,000 or more by 1986."

When the Stillwagons lived here they owned at different times, the Wag-On-Inn, which is now the Sawmill downtown, and the Red Barn on the corner of M-93 and M-72 West of Grayling...

We have our own Michigan lottery, but ours is for cash, I've never heard of raffling off liquor licenses before...but then to each state their own...

We just can't seem to get with it this weekend, so we're going to make this a short column...possibly next week things will come around, so we will say goodnight to T.J., Stefany and Amber...and to all of our readers have a nice weekend, and think Santa, he's just around the corner...

## The Bible Speaks

From Calvary Baptist Church

### Description of Israel's Restoration

Romans 11:25-27

Every time you are confronted with conditions in the middle East, you are forced to admit that God's Word concerning Israel is true. God will continue to keep His promises, and someday Israel will rule the world.

1. The fact of Israel's restoration. "For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in. And so all Israel shall be saved." Romans 11:25-26a.

From the above scripture a number of things are clear. a) Israel's restoration is a mystery to those ignorant of Bible truth. b) Those who are ignorant of Bible truth are self-wise in their own conceits. c) Those who do not believe in Israel's restoration do not understand the promised end of the Gentile age or "fulness of the Gentiles." e) Those who do not believe in Israel's restoration are still blind to God's promise that "all Israel shall be saved."

2. The person of Israel's restoration. "...As it is written, There shall come out of Zion the Deliverer, and shall turn away ungodliness from Jacob." Romans 11:26b. Read the details of this event in Zechariah 14:1-21. Our Lord Jesus Christ is coming again to be Israel's promised messiah to rule the whole earth from the throne of David in Jerusalem. Even so come Lord Jesus!!!

3. The Old Testament prophecy of Israel's restoration. "For this is my covenant unto them, when I shall take away their sins." Israel's future is assured by a number of unconditional covenants God made with Israel. We listed most of them a few weeks ago.

Most believers who have

problems believing in Israel's glorious future, also have problems with the security of their own eternal salvation. It is difficult for them to believe God will still fulfill His promises to Israel after the sins they have committed, and after the years they were dispersed. (adv.)

## Federal PILT Payments Targeted for Crawford

Crawford County is expected to receive \$11,059 in federal PILT (payments-in-lieu-of-taxes) for 1983, Congressman Bob Davis reported.

The PILT payments have been targeted for elimination by Congress for several years, but Davis says the House approved funding the program for 1983. The Senate must still approve the funding.

PILT payments are made to county governments where federal government owns property. Since the federal lands do not generate tax revenue for local governments, the PILT payments are intended to compensate for loss of taxes.

## House Call: Snow Removal & Heart Attack

Winter with its frosty temperatures and blankets of ice and snow, whether we like the season or not, is a time of great beauty. Mother Nature paints the landscape with scenes that now and again are so beautiful they leave an observer almost breathless.

But it should also be remembered that, under certain conditions, this mantle of beauty represents a hazard to health. The snow, attractive though it may be, is a hindrance to normal activity, making its removal from streets and sidewalks a necessity. And that's where the danger lies.

Most of us shovel snow like we're in a hurry to get the job done. Such haste can only lead to overexertion which, in turn, can bring on a heart attack. The danger is particularly great when a person is not in good physical condition because of lack of regular exercise. Every year there are heart attacks reported which are associated with the shoveling of snow.

Shoveling snow is so strenuously demanding that it should be undertaken with great care. The best advice I can give is to shovel slowly, resting frequently. Remember, too, that cold weather causes the heart to beat faster, to work harder. The cold combined with overexertion can cause serious trouble.

As a precaution, it is wise to be aware of the symptoms of heart attack. They may include a feeling of fullness, heaviness, or squeezing pain in the center of the chest. The pain sometimes spreads to the arms, shoulders, neck, and jaw. These sensations may be accompanied by nausea, vomiting, sweating, and shortness of breath.

If you should get into difficulty, by all means get

medical help immediately. Another thought. If you have a snowblower, use it. But keep in mind that the operation of a snowblower, while not a rigorous task as shoveling snow, does demand more than normal exertion. Therefore, care is still necessary.

Perhaps the most important thing to remember is that removing snow must be done slowly and gradually - shoveling a little, resting a little, and then repeating the process. You'll accomplish just as much, but with greater ease and safety.

### Pear Dip

For a luscious snack, dip fresh pear wedges in warm honey and then in toasted sesame seeds.

## Vikings Win 51-49 With Shot at Buzzer

Grayling fought back from a 10-point deficit with a little over two minutes left finally overcoming Boyne City 51-49 on a last-second 15-foot shot by Jim Stewart.

Head Coach Butch Hayes said three big plays led to the last-second heroics. The first one came when Ryan Mor-

ford outran a Boyne City guard to a loose ball and then sped to the bucket for a lay-up.

The second key was Wayne Ross sinking two free throws to tie the game, and the third big play was Mike Hickey stealing the ball to gain possession for the winning shot by Stewart.

"Our kids deserved to win that one," Hayes said. "They outlasted and outplayed the other team."

Grayling finished the game with 20 steals, they out rebounded the bigger Boyne City team 50-38, and Hayes said Wayne Ross was a big factor on defense with six seven blocked shots.

Only poor shooting kept the Vikings behind throughout most of the game. Grayling shot 10/41 from the floor for the first half and 22/74 for a game - a 30 percent average. They shot 7/14 from the free throw line.

Hayes said the team played good defense but 29 turnovers (21 in the first half) and the poor shooting hurt them on the offensive end.

Grayling played good defense in a 71-63 Petoskey loss but 29 percent shooting from the floor and 21 turnovers again hurt the green and white.

"We couldn't play better defense in the first half," Hayes said.

Ross again took control in the middle blocking seven shots and recovering three of the blocks himself. Hamlin finished the game with 15 rebounds, Ross 14, and Stewart 11 against the big Petoskey club.

Grayling was behind by as many as 21 points in the second half before coming back to cut the lead to 5 points with 38 seconds left and free throw opportunities.

Grayling evened their conference record at 1-1 and faced Cheboygan Tuesday before entertaining Gaylord Friday at the middle school gym.

Against Boyne, Morford tossed in 19, Ross 11, Stewart 11, Bob Keene 4, Paul Hamlin 3, Dave Zigala 2, and Mike Hickey 1.

Against Petoskey, Morford hit for 20, Hamlin 11, Hickey 10, Stewart 8, Ross 6, Zigala 6, and Keene 2.

### Transportation Package Appears Dead for Year

Warren M. Hoyt, Executive Director, MPA

After it became apparent there were not enough votes to approve a sales tax on amusements and some services in the state House of Representatives, supporters of Governor William G. Milliken's \$2 billion, four-phase, transportation package declared the package dead for the year.

Time supporter, Representative William Ryan (D-Detroit) said the package is dead "for all practical purposes" while Management and Budget Director Gerald Miller said there was still hope but admitted it didn't look good.

Both Democrats and Republicans said a lack of Republican support killed the proposal.

House Speaker Bobby Crim (D-Davison) said Democrats could have raised 35 of the necessary 56 votes, if Republicans could have guaranteed 21. But there did not appear to be any more than 5 Republican votes, said Republican floor leader Representative Michael Busch (R-Saginaw).

In an effort to attract Republican votes, Miller was unsuccessful in developing other proposals which would be acceptable. Ryan said Miller was authorized to come up with any formula that raised the same revenue and replaced the lost money to the general fund.

Earlier, Milliken said the package had to be passed if the state was to meet the matching requirements to get up to \$134 million in federal revenue if the federal gas tax is increased.

Busch said that in 1983, if state's failure to qualify for those funds could give more impetus to some sort of program.

During a Republican caucus, Miller admitted that to meet the federal match would only require an increase of about one cent per

gallon.

If the package had been limited to a tax increase simply for road repairs, it could have generated more Republican votes, Busch said.

But urban representatives insisted a package had to include increased funding for comprehensive transportation. "They went for more than they could realistically expect," Busch said.

The package was expected to raise some \$2 billion over five years. The first part of the package would increase the gasoline tax according to a highway maintenance index, with a cap on increases of two cents a year.

Over five years, the tax would have raised an additional \$911.7 million.

Weight taxes would be increased 30 percent for automobiles initially and 45 percent on commercial trucks, with increased indexed each year to the increase in the state's personal income.

Over five years, the tax would raise some \$716.5 million.

The package also phased-in a greater earmarking of auto-related sales tax for comprehensive transportation. That would cost the general fund \$418 million over the period, and the package's most controversial element - imposing a sales tax on amusements and some repair services - would have raised \$484 million.

With continued declining revenues, not only in the state's general fund but also in the state transportation fund, and a state transportation system in need of repair and updating, the new Legislature, along with new Governor-elect James Blanchard may have to face raising gasoline and weight taxes as its first order of business next year.

### Buffum Wins Snowless Sno\*Drift Rally

John Buffum, of Vermont, ran away with a win in the 225-mile pro rally held in Crawford County Dec. 4 and 5.

Temperatures in the 50's and 60's made this year's sno\*drift conditions the mildest ever in the 17 years of the race. Buffum and co-driver Tom Grimshaw took advantage of the nice weather winning 16 out of 18 stages never losing the lead.

Pat Nowak, son of Walt and Martha Nowak from Grayling, was going good in the early stages of the race until carburetor problems forced him out of the race.

Finishing second, as he has been six times this year, was the New Zealander Rod Millen in his Mazda RX-7. Millen was second on nearly every stage and won the two that Buffum didn't.

Third, in the best finish of his short driving career was Buffum's regular co-driver, Doug Shepherd, who consistently ran his Dodge Colt in the top three on most of the stages. Motorweek Illustrated's Jim Roller handled co-driving chores for Shepherd and has now finished third in both of the PRO Rallies he has entered. Jon Woodner and Ginny Reese took fourth, a minute behind, in their Peugeot 504 Coupe assuring them of a third place finish in the overall standings this season.

As usual in 1982, the real PRO Rally battle continues to be in the Production Class with so many good cars and drivers that neither of the top points leaders in the standings even figured in the top running at Sno\*Drift. Guy Light moved his Oldsmobile Omega into first place in the class on the first stage and never lost his advantage. It wasn't as easy as all that, however, as Gene Henderson and his AMC Eagle used the car's 4wd to good advantage and chipped away at Light's lead after the rains started early Sunday morning. The rally ended, however, before Henderson could pull it off and Light finished 24 seconds in front. It was his first Production win of the season. Erik Zenz was third in the class in his Saab 99 - his best finish since a second at the 100 Acre Wood last March.

Other top ten finishers included Larry Schmidt (fifth) in his Dodge Colt, Niall Leslie (sixth) in another Colt, and local driver Mike Purzycki in his Jeep CJ-8. It was Purzycki's second top ten finish in a month as he finished 8th at Press On Regardless in November.

Current leaders in the Production Standings Steve Nowicki and Sandy Liverside did not fare too well. Nowicki went off early and hit a tree with his Plymouth

The AuSable Valley Youth Service Bureau staff continues a very busy year in the month of December. Our program is currently providing individual counseling and group counseling. We also provide job skills training, needs assessment, social work referral, recreation and tutoring to over one hundred and twenty youth, aged six to eighteen in Crawford County.

Our office works closely with the Crawford AuSable School District, Crawford County Department of Social Services, and the County's Probate Court. Together we strive to extend and improve a variety of services to the youth of this county and their families.

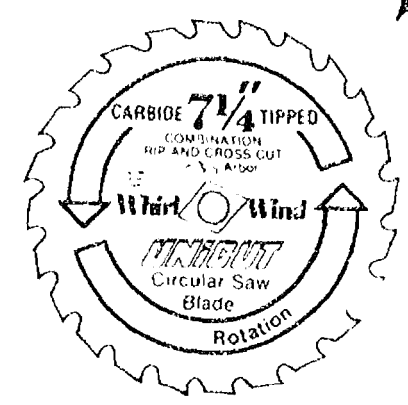

We wish to thank the many agency people, citizen's groups, and families who have been so super in cooperating with us. Your suggestions, support, and financial assistance is greatly appreciated. You have greatly helped to make our agency the youth advocate that it is. You are a big reason for our success.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Recently I conducted my annual search for a deer and while in the process, I discovered a little piece of past history. Where I was hunting was once covered with a very extensive pine forest with some trees certainly as large or larger than the Monarch Pine. Each stump that was anywhere near complete showed clearly which way it had been felled by men with saw and ax. The notched side was lower than the back cut by six inches or so which assured an ample hinge to keep the tree trunk falling in the desired direction. Those old stumps were only about waist high indicating that the cutting had been done during the fall or very early winter before the snow got deep; otherwise, they would have been higher. There are locations in the Upper Peninsula where the stumps are six feet and more high.

In one place I stood in the midst of a dozen or more stumps which I am sure were notched and felled by the same two men. Several of the trees had been notched by a tall left-handed man as the notches were chopped at a ten to fifteen degree angle while the notches on the other stumps were horizontal with the ground. All the trees had been sawed down by the same two men from appearances as the saw cuts were at nearly the same angle on every tree. No two trees fell in the same exact direction which would have kept the tops apart for trimming and skidding. As I looked around at other stumps in the distance, the same characteristics were apparent. They must have been quite a falling crew despite their different heights which should have been a subject for horseplay in the Salling-Hanson bunkhouse which had stood not too far away in both time and distance.

## Youth Service Bureau Activities

The AuSable Valley Youth Service Bureau held its December Roller Skating party in Lewiston on December 10th, and its annual Middle School Christmas Party at our offices on December 14th. Everyone, including the staff, had a good time at both of these recreational group functions.

On December 20th, the Youth Service Bureau and St. Francis' church will hold a joint movie presentation. The movie "Rudolph the Red Nosed Reindeer" will begin at 7:00 p.m. At the church, located on West M-72. The movie is open to all Elementary aged school children. Popcorn and orange drink will be served at the movie. The movie is free to Y.S.B. youth group members. We expect that the evenings activities will end around 8:30 p.m.

The Youth Service Bureau is currently looking for individuals who would like to spend some time tutoring Middle School aged kids after the start of the new year. If you are interested in donating some of your time and talent to a worthwhile cause, then please contact the Youth Service Bureau at 348-2841 ext. 262.

**A FUN BUT WORKING DAY**—Margaret Kucharek, Margaret Cook, Dixie Lobsinger, Brenda Wisniewski, Susan Kulick, Donna Newnan, Linda McClellan, Mrs. Yatch, and a few students had a fun but working day. All these parents and a few students got together on Wednesday from 3 to 4:30 to assist Mrs. Yatch construct equipment. They made a "magic rope", hoops, fleece balls, and nylon paddles. They put them together with plumbing pipe, rug yarn, and wire hangers. A lot of other parents donated stuff for the equipment. All this equipment is for the elementary physical education program. Mrs. Yatch appreciated the time and help given. By Suzanne Hamilton and Paula Nunn, 5th grade.

## Senior Citizens Homemakers Service

by Joyce Hankins

What is Homemakers Services? Homemakers Services is a major step in health care delivery for the elderly. Homemakers Services is an economical alternative to placing a person in the hospital or an institution. Homemakers Services provide basic household chores

enabling a handicapped senior citizen to remain in their homes and also keep closer family ties, thus fostering independence. This is a psychological boost to a person to restore and maintain their individual lifestyle and reduces the fear of isolation.

Homemakers Services can be used for a variety of purposes, whether it is helping a person recover from surgery recuperating from a long or extended illness, chronic illness or coping with a disability. The principle consideration is the clients needs and requirements necessary for him or her to continue functioning in their own homes.

Homemakers services consist of light housekeeping, such as washing dishes, changing bedding, dusting, vacuuming and cleaning floors. We also provide some meal preparation if needed. Transportation and escort services for doctors appointments, grocery shopping, getting medications etc. If you need any of these services or know of anyone that does please call (348-9314) or come to the Senior Citizen Center at 308 Lawndale for more information.

To qualify for Homemakers Services you must reside in Crawford County, be 60 years of age or older and be handicapped.

## RSVP Reports

by Sherry Haag, Dir.

Welcome to news of the Retired Senior Volunteer Program. I've recently received some information concerning the RSVPs in Michigan. All programs in Michigan are under ACTION's Region V. This includes Ill., Ind., Iowa, Minn., Wis., and Mich. In a cost effectiveness report of RSVP projects, the Older American Volunteer Programs, it was announced that nationally the average Federal cost per hour of volunteer service is .47 cents and the average Federal cost per volunteer is \$81.00. Region V projection for all projects submitting financial reports for Federal costs per volunteer hour are .57 cents and \$74.36 Federal cost per volunteer. Region V has 55,260 volunteers who serviced 7,610,072 hours. Michigan has 6,597 RSVP volunteers who provided 960,160 hours of service to the state. The largest project, in Wayne County with 1,500 volunteers and 250,000 service hours. The smallest project, Gaylord, with 80 volunteers and 1,500 hours.

All the Retired Senior Volunteer Programs have the same objective. Providing meaningful opportunities for persons 60 years of age or older to participate in activities in their community through volunteer service using the skills and

knowledge they have acquired during their lifetimes. The Federal government supports the programs with 70% funding through ACTION. The remaining 30% is provided through local support. All programs are sponsored locally and serve the community where they are located.

Volunteers are needed at the Sibs for Kids office on Thursday to answer phones and take messages. Visitors are needed for the areas 2 Adult Foster Care Homes. During the busy holiday season, residents of these homes particularly enjoy visitors and company. Timberview Village in Frederic and Matson's Milltown Manor in Grayling welcome visitors anytime.

If you have gowns, pjs, mittens, hats or blocks, please drop them at the office before Dec. 15. Thanks to all who have spent so much time on this community service Christmas project. Please know your time will bring happiness and smiles to many who would otherwise have little or nothing at this time of year.

If you'd like to become involved in RSVP, please give us a call at 348-4341 or 348-8322. Holiday hours are Dec. 20 through 22 from 8 a.m. to 5 p.m. December 23 through December 31 - Closed.

## Middle School News

Journalism Class

On Wednesday, November 24th, the Gaylord Middle School Journalism class and their instructor, Richard Carlson, came to present a journalism workshop to Mrs. Mesack's 1st hour Journalism class. They answered questions about assembling a school newspaper and demonstrated how to put together a layout sheet.

On December 9, 1982 the Journalism class taught by Mrs. Judi Mesack sold their first school paper of the school year. The school newspaper is entitled "In the Middle" and the class is planning on publishing three more issues this school year. The paper involves a great deal of effort both on the part of the teacher and the students.

DRAWING

On December 8th during halftime of the first scrimmage of the season, the seventh graders held a drawing. The drawing was held to raise money for the athletic department. We sold tickets for about three weeks, and raised \$160.75.

The check was presented to Mr. Russ Phillips with honors. The three winners were C. Rochette, Gary Gugin, and Angie Larson.

### Bits O'Talk

Mrs. Williams' 2nd grade  
class at Grayling Element-  
ary School would like to ex-  
press their appreciation to  
Jim Budd for his donation of  
an artificial Christmas tree  
to their room. The students  
had lots of fun decorating it.  
The tree will be enjoyed by  
many other students in the  
years ahead.

Mike and Claudia Delp are  
happy over the arrival of a  
baby girl, Jaime Elmasian,  
who was born on November  
19, 1982, at Munson Medical  
Center, Traverse City. She  
weighed 6 lbs. 1/2 oz. and was  
20 inches long.

Friends of Dr. William  
Diedrich of Fallbrook, Cali-  
fornia, will be pleased to  
know that he is recovering  
from a heart attack. Several  
Michigan friends have been  
out to visit him.

Betty Bennett was happy  
to have her former boss from  
Utica, Phil Runkel, stop in to  
visit her. Runkel is State  
Superintendent of Schools  
and was in town for a meet-  
ing.

## Christmas Has Hit at Grayling Elementary

Mrs. Knepp's class did the  
showcase in Grayling  
Elementary. They made a  
manger scene. They also  
made some stained glass or-  
naments. The scene was  
made of ceramics.

Mrs. Slater's and Mrs.  
Ingvarsson's classes both  
did the bulletin board at  
school. They had a Santa  
Claus and elves and candy  
canes and a toot-toot train.  
On Santa's list they all put  
their names. Some elves had  
brown, yellow and black  
hair. The train had three lit-  
tle mice in it. And the candy  
canes were red and yellow,  
red and white, and pink and  
white. And in big letters at  
the top it said, "You better  
watch out." By Heather  
Willoughby and Suzanne  
Hamilton, 5th grade.

Benefit dinner for John and Jan Cragg at the Grayling Restaurant on Saturday, December 18, from 4 to 8 p.m.

The Nevin Residence at 536 Pembroke (in the subdivision across from Coffee Cup Restaurant) invites you to drive by and see their Christmas Card in lights.

Mrs. Lora Gould spent the Thanksgiving week with her daughter and family, Ron and Sally Evans, in Broken Arrow, Oklahoma. She also called Dr. Fenn Welch, who is a dentist in Broken Arrow, and had a nice visit with him.

Mrs. Gould is expecting the rest of her family home for the holidays, Dr. and Mrs. William Gould of Baltimore, Maryland, Mr. and Mrs. Rick Gould of Grand Rapids, and Neil and Connie Gaylor and family of Grayling.

Mrs. Peg Emerick, elementary music teacher, and all of the elementary students invite the community to a Christmas sing-along to be held on Monday evening, December 20, at Peninsular Avenue and Michigan Avenue.

## Sibs for Kids Christmas Party

The Sibs for Kids Christmas party was held Sunday, Dec. 12th, at the Holiday Inn. Swimming, games and refreshments were enjoyed by 14 youth and 6 adults. Each one received a gift from the "Sibs" Program.

Funding for the party was primarily from the proceeds of the "drawing" held the past 2 weeks. The drawing was held at the end of the party and the winners were: Myrtle Graham, Proctor-Silex Coffee-maker; Violet Kehr, wooden spoon set and holder; William Bedford, electric pencil sharpener; Jill Grudzien, set of kitchen utensils; and Shirley Parks, set of wire whips.

## Eagles Club Charity Bingo

The Grayling Eagles Club will host its annual Charity Bingo, Sunday, Dec. 19th from 1 p.m. to 5 p.m. at the Eagles Club Hall, 602 Huron St., in Grayling. All proceeds to charity.

## Local Student Pledges Sorority

Granville, Oh - Denison University freshman Linda A. Partin, daughter of Mr. and Mrs. Virgil Partin of Rt. 2, has pledged the Beta Zeta Chapter of Delta Gamma Sorority.

Partin is a graduate of Kingswood School.

## Womens Aglow Group to Meet

The Grayling Women Aglow Group will be having a very special meeting this Saturday, December 18th, at the St. Mary's Family Life Center 709 Spruce Street in Grayling. The meeting will start with coffee and rolls at 9:30 a.m. and finish at 12:00 noon.

In accordance with the Christmas Season, we have set aside this time together for the sole purpose of praising our Lord in music and song.

Aglow is an interdenominational organization, and we would like to invite all the ladies of our community to attend. For more information, please contact Maggie Priestap, President, at 348-2146. Merry Christmas!

(Under authority of Act 230, P.A. 1925, as amended)

## OPEN SEASONS AND CATCH LIMITS ON WALLEYE, SAUGER AND MUSKELLUNGE

The Natural Resources Commission, at its meeting on October 8, 1982, under the authority of Act 230, P.A. 1925, as amended, ordered the following order become effective on January 1, 1983, and remain valid until March 31, 1988.

It shall be unlawful to take the following named species except within the open seasons and daily limits prescribed (statewide regulations apply unless otherwise restricted):

Statewide open seasons on all waters not otherwise closed to fishing shall be from May 15 through February on walleye, sauger, northern pike, and muskellunge (including tiger muskellunge). The daily catch limit shall be five singly or in combination for largemouth and smallmouth bass, walleye, sauger, and northern pike; one for muskellunge (including tiger muskellunge).

The above regulations apply statewide except that walleye and sauger may be taken at any time from the Detroit and St. Clair rivers, Lake St. Clair, and Lake Erie; and that muskellunge in Lake St. Clair, St. Clair and Detroit rivers may be taken only from the first Saturday in June through December 15 of each year. Also, the daily catch on Lake St. Clair and Lake Erie and the Detroit and St. Clair rivers shall be six singly or in combination for largemouth and smallmouth bass, walleye, sauger, and northern pike when the catch includes at least one walleye or sauger.

## Family Tree

(Continued from Page 1)

Peggy, 21, the Rettenmaiers plan on having a good old-fashioned Christmas.

"We plan on taking the commercialism out of Christmas this year," Regina said. "We're going to enjoy being together as a family and go skiing, sleighing, caroling, and anything else we want to do. We want to put the Christ back into Christmas."

The Rettenmaiers also hope to surprise their children with four copies of the family albums on Christmas day if friends of the children in Grayling can keep a front-page news story a secret from the four children when they return just before Christmas.

Part of the dedication in the front of the albums is from an unknown author and reads, "There are two last-ling bequests we can give our children, one is roots and the other wings!"

be hard for the other teams to put the ball past her scrappy team.

She said all her players can reach above the net and there isn't one featherweight server on the squad.

Brown is looking forward to a better season than last year when the Vikings picked up five wins and she expects Grayling to make a stronger showing in the Michigan Huron Shores League this year.

Brown is also expecting big things from her junior varsity squad who are taller than the varsity. Seven sophomores, Barb Fitzgerald, Shannon Kraykay, Tammy Moore, Dianne Munsey, Dawn Phelps, Denise Pittman, and Audra Small will lead the squad along with eight freshmen, Beth Bedard, Kim Cole, Shelly Denton, Stacey Hinds, Piper Ostrowski, Kathy Partin, Lori Pfaff, and Amy Wakeley.

tournament losing his first match of the year in the finals to put his record at 7-1. Tony Partello, Tim Moore, Claude Halstead, and Barsie Cross captured third place medals and Ron Wyman won team points for Grayling during the tournament.

The first place trophy continued Grayling's streak of excellence at tournaments. In their last 12 tournaments Grayling has brought home a first or second place trophy.

Grayling won 161½ points over the weekend to beat out Petoskey at 139, Big Rapids 127, and Hart 110.

Solomonson added another feather in his cap last Thursday when he won his 100th victory with a pin over a Gaylord opponent. Solomonson's pin helped Grayling overcome Gaylord 40-23 in a spirited battle at the Grayling High School. Grayling and Gaylord had finished one-two in the first tournament of the year and Gaylord brought down two spectator busses for support. The Grayling gym held the largest wrestling crowd for a two-team match in the school's history.

Along with Solomonson's pin, Tony Partello, Jim Piper, and Tom Sorsenson also pinned their opponents. Buzz Partello won on a 14-6 decision, Sauve won on a 15-5 decision, Stacey Kent won a 16-13 decision, and Barsie Cross won a 7-6 decision.

Grayling takes on Charlevoix Thursday and travels to St. Ignace for a tournament Saturday.

## RSVP Reports

Sherry Haag, Dir.

Welcome to news of the Retired Senior Volunteer Program. A great big Thank You to all the people who made baked goods for the bake sale last Saturday. The event was a big success and we appreciate the time taken by all, for us, during the busy holiday. Thanks, also, to the volunteers who helped with the book sale.

This week I'd like to discuss some of the advantages of Volunteer Service to community agencies. Since volunteers frequently have time and represent a variety of service skills, they can greatly improve and increase service to the agency's clients. Often more individual attention can be provided by volunteers. Volunteers are the community. Thus, they serve as a natural link between the organization and the client and the community-at-large. This has many positive ramifications for all three groups. Volunteers, coming from a wide range of backgrounds, training, and experience, can provide technical assistance and even professional consultation in their fields. Because of their relatively non-threatening status, volunteer often feel free to bring in fresh ideas and new perspectives; a staff member might be stepping on someone's toes by doing the same thing. If your non-profit organization would be interested in more information on senior volunteers, call 348-4341, Monday through Friday, 8 a.m.-5 p.m.

Presently, volunteers are needed for answering phones and taking messages at the

Sibs for Kids office on Thursdays from 10 to 1. Also, volunteers are needed at the High School library. Speaking of school, in case of bad weather, be sure to check your radio for information on school closings.

All volunteers who have crocheted or knitted hats or mittens, or who have made PJs or nightgowns or wooden toys, please drop them off at the office by December 15, 1982. Thanks.

If you're interested in any of the above mentioned assignments, please call the office or stop by 308 Lawndale. We're here from 8 a.m. to 5 p.m., Monday through Friday.

Fri., Dec. 24 - Center Closed. Merry Christmas. The Center will remain closed until January 3, 1983. Have a very Merry Christmas and a Happy New Year!

## Honor Society Reception Dec. 22nd

The Grayling High School Chapter of the National Honor Society will host a get-together of all area graduates who are presently attending college or technical school.

The reception will be held on Wednesday, December 22nd in the Grayling High School Library from 10:00 a.m. to 11:30 a.m.

National Honor Society President, Kim Ostrowski will preside at this informal gathering which will give present Juniors and Seniors a chance to hear "first hand" about college life.

All former graduates presently seeking post secondary education are cordially invited to attend.

**DIFFERENT SOUP LABELS**—One of Miss Johnson's students, Chris Welch, has a grandma, Mrs. Gothro, who brought soup labels from Canada. They have both French and English writing. Some of the words are Et au beauf for vegetable beef, tomates for tomato, woupe au poulet for chicken and stars, et au Riz is for Chicken with Rice and Campbell's is Soupe aux. Miss Johnson is going to put the soup labels in the contest that we have here at Grayling Elementary School. Shown are Heather, Chris and Paula with the labels. ## A Feast Fit For a King

On Wednesday, November 24, the fourth graders of the Crawford County Schools all dressed up for a Thanksgiving feast. Some dressed up as Pilgrims and others dressed as Indians. For their feast they had potatoes, gravy with a piece of turkey for their main dish, cornbread for a side dish, and for dessert they had pumpkin pie. Just before they sat down to eat, Candy and Mike from Mrs. Aker's class and Kevin and Andrea from Mr. Hatfield's room, said prayers. Before they ate they sang "Come Ye Faithful," and said the smells of Thanksgiving. They said, Mmmmmmm, Mmmmmmm, good! Then they ate. They had a program. In the program they had a play. In the play Indians speared animals. They had a trading post to trade the furs. Mr. Olson came in and played the guitar while the Indians sang and danced. Nicole Meagher, Bobby Harris, Sean Hamena, and Joy Wyle recited a poem. After the program all the fourth graders paraded through the rooms. In Mrs. McEvers, the Indians had an arm wrestling match in their own room.

A special thank you to all the parents that helped!

# Everything a Wall Street Money Fund Can Offer, Plus...

Insured Safety • Check Writing Capability  
• 60 Statewide Offices to Service  
Your Account • Same Day Withdrawals...  
No Wait... No Penalties • Your Dollars  
Help Your Community... Not New York.

### HOW CASH FUND WORKS

With the NEW United Federal Cash Fund you get money market rates, immediate accessibility to your funds, plus insured safety. And you can open a Cash Fund Account with just \$2500 at any United Federal Office.

With Cash Fund, you can make deposits or withdrawals anytime...no wait...no penalties. Each month you receive a statement reflecting the interest earned, account activity and your balance. Interest is compounded monthly providing for you an even higher rate of return—a feature uncommon to most Wall Street funds. Your United Federal Cash Fund features check writing capability and, unlike most Wall Street funds, requires no minimum amount for which your checks must be written.

### GREATER SAFETY THAN A WALL STREET MONEY FUND

At United Federal, your accounts are insured to at least \$100,000 with an agency of the federal government.

Different account ownerships can provide additional insurance coverage. No Wall Street fund offers you this kind of protection.

### BETTER ACCOUNT SERVICING

Sixty statewide offices make the handling of your financial business so convenient. No need to travel long distances to a brokerage office or to send burdensome paperwork to New York. Since your transactions are processed locally, deposits to your United Federal Cash Fund begin earning interest immediately.

### CASH FUND DOLLARS

The money you invest in a United Federal Cash Fund stays in your community, and is used to help speed economic recovery in our state.

If you want high interest, instant accessibility to your money and more security than a Wall Street fund can offer, come to United Federal.

Telegrams will be sent to Bob Davis and Don Albosta relative to PILT payments.

Meeting recessed for 5 minutes.

COMMITTEE REPORTS:

Building & Personnel by Mattis: MESC unemployment tax on an appointed official.

MOTION by Mattis, second by Harland, to authorize payment of \$234.00 for MESC unemployment tax to rectify an error in prior quarters. Roll Call: Mattis - aye, Harland - aye, Nowak - aye, Bidvia - aye, Neilson - aye, Kitchen - aye, Miller - absent, motion carried.

A cost estimate of \$65.00 was received to repair the refrigerator in the jury room.

MOTION by Mattis, second by Neilson, to authorize repair of the refrigerator at an estimated cost of \$65.00. Roll Call: Mattis - aye, Neilson - aye, Bidvia - aye, Harland - aye, Nowak - aye, Kitchen - aye, Miller - absent, motion carried.

A request for a new classification for the switchboard operator was received. A job description needs to be considered. Committee will meet with Management Consultant prior to recommendation of this request.

A request designating December 23rd as a Christmas Holiday was received from the Chapter Chairman. After much discussion, the request was granted.

Law Enforcement by Mattis: Very favorable response was received by the Rotary Club and Senior Citizens relative to Officers recent presentations. Gaylord Glass, MAC Distributors, and Milltown will submit estimates for the security doors.

Authorization for purchase of a radio for the proposed ambulance was discussed. No decision was made. Disposition of the old ambulance was also discussed. Sheriff White reported \$5,000.00 for a vehicle for the Animal Control Department was not sufficient and asked if part could be used to repair the existing vehicle. He estimated about \$1,000.00 could put it in good repair for another year. Committee concurred. Search for patrol cars is being made through dealers and other counties. Two cars (81 and 82 oldsmobiles) available at Frankenmuth for a total of \$17,700.00 appear to be the best. Sheriff White will contact dealer to see if they can be held until the first of the year. A new washer is also needed in the jail. Discussion on jail renovation was held. A step-by-step plan must be initiated soon so alternatives can be considered. County jails are full and it is costly to use other facilities. The Police Management seminar is being held in Grayling Dec. 2 and 3. Tapes are very useful and will save money in the future.

Commission recessed for lunch at 11:55 a.m. and reconvened at 1:10 p.m.

Jim Tobin appeared to inform the Board of services offered by the Community, Family & Children Services Agency, Central District. At the present, Gaylord is the headquarters where many Grayling residents travel for assistance. Funding has been provided by United Way, Catholic Services Appeal, counseling fees and state contractual funds designated for specific programs. If additional funding can be obtained, the Agency would offer one day per week service in Grayling. A Corrections Employment Service is also offered. With additional funding, the Agency would also offer one day per week service in Grayling. Both proposals were referred to Committee.

Vickie Kalnbach and Gil Ashton informed the Board that the discrepancies noted in the inspection report at the Airport have been corrected with the exception of the non-directional beacon. A \$250.00 refundable deposit is needed to obtain an antenna resistor to complete the inspection.

MOTION by Neilson, second by Bidvia, to authorize a \$250.00 refundable deposit to Southern Avionics, Inc. Roll Call: Neilson - aye, Bidvia - aye, Harland - aye, Nowak - aye, Mattis - aye, Kitchen - aye, Miller - absent, motion carried.

Gil Ashton informed the Board that he had located another engine for the snow plow for \$100.00.

MOTION by Mattis, second by Neilson - to authorize purchase of an engine for the snow plow for \$100.00 from the 1982 Contingency Fund. Roll Call: Neilson - aye, Mattis - aye, Nowak -

## How to keep up with the Joneses

Do you keep your nose to the grindstone trying to give your family everything the Joneses have?

Then observe these neighbors carefully. They probably have something that escapes your notice.

They have family, friends and material possessions. But they have something more.

Notice that the Joneses always attend the services of their Church. They have found that without spiritual guidance their other treasures are worthless. And they have discovered new solutions to their everyday problems. They view the world from a different slant, for they have found the faith to take life as it comes along.

If you really want to keep up with the Joneses, follow their lead. Find and cultivate the faith they've found. Go to your Church or Synagogue this week . . . and every week . . . and seek fulfillment for your life.

## Rib Roast Changes Pace

If you've had it with turkey and ham through a long holiday season, you might want to welcome the New Year with a beef rib roast.

For best results, use a meat thermometer. Inserted into the thickest part of the meat (but not touching bone) the thermometer will enable you to cook the roast to any desired degree of doneness.

Place the roast into the oven and cook slowly at 325 degrees. Add no water and do not cover. If you like it rare, remove when the meat thermometer registers 140 degrees. Stop at 160 degrees for medium, cook at 170 degrees for well done.

If you don't have a meat thermometer, cook the roast (four to six pound size) 30 minutes per pound for rare; 35 minutes per pound for medium and 42 minutes per pound for well done.

Season with salt and pepper during the last 30 minutes of roasting.

### American Viewpoints

The delicate duty of devising schemes of revenue should be left where the Constitution has placed it—with the immediate representatives of the people.

William Henry Harrison

## Excitement in Room Four

In Mrs. Larson's room the students had a special visitor. Her name was Marcha Felver, the mother of Misty Goans. She talked about living on an Indian reservation. The three students we interviewed were Misty Goans, Melanie Ross and Mandy Cameron-Rivera. They all took turns talking about what Mrs. Felver talked about.

People made fun of her. Melanie said that if the Indians went on the white people's land that they would

be chased away. Mandy said that the Indians were ignored by the white people. Misty said that sometimes the Indians were kicked off their own reservation. Everybody would like to thank Mrs. Felver. By Teresa Ferguson and Mary Beth Boone, 5th grade.

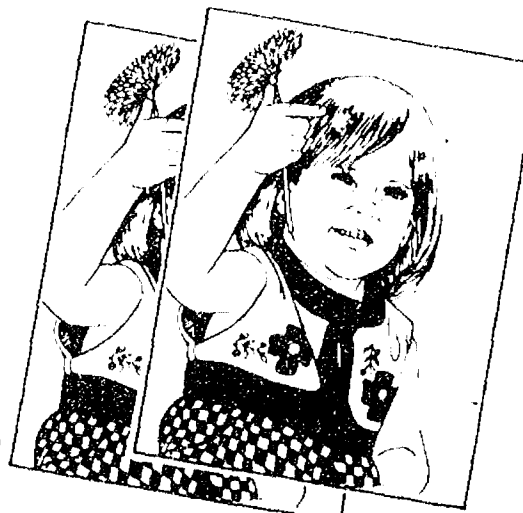

Mrs. Larson's room has a special helper. She is Kathy Anderson. She has been helping the children by doing duplicating. They are all learning a lot from her help. She comes in once a week to help them. They would like to thank her for her help. A special thanks to Mrs. An-

derson. By Mary Beth Boone and Teresa Ferguson, 5th grade.

### Keeping An Eye on Ivan

The Soviet military officer's career patterns, the degree to which Russian energy stocks can fuel a war machine and the worldwide distribution of strategic materials are among the subjects under analysis by a strategic think tank located far from the corridors of power in Washington or Moscow. The Center for Strategic Technology draws on political scientists, historians, engineers and other technical experts to keep an eye on the Soviet military system.
